Call to Order & Pledge of Allegiance

The meeting was called to order by Mayor Oliver at 10:30 am and the pledge of allegiance followed.

Roll Call: Mr. Oliver – Present
Mr. Whildin – Present
Mr. Ashton – Present

The purpose of this meeting is natural gas service to Barth Road residents and the township's role in getting the service.

Discussion:

Natural Gas Service to Barth Road Residents.

Mr. Oliver explained that he had been approached by a resident of Barth Road who presented a petition signed by the residents of Barth Road. The petition was to South Jersey Gas requesting that natural gas service be provided to them. Mr. Oliver explained that presently Barth Road has 17 dwellings and 8 building lots. Mr. Oliver will be meeting with representatives from South Jersey Gas to present the residents request and provide information about the number of possible service hook-ups to South Jersey Gas for this street.

It was further discussed that the first residence on this street already has natural gas service. Mr. Whildin stated that there is a 6 inch main line on Route 47 and it appears that a 2 inch service line is what would be needed to extend the service to Barth Road residents.

Mr. Oliver asked the clerk to pull the tax maps for Barth Road and to mark out all dwellings located on the street in preparation for the meeting with the South Jersey Gas representatives.

Adjournment

Mr. Whildin made a motion to adjourn; seconded by Mr. Ashton.

Denise L. Peterson, Municipal Clerk
