The Township Committee presented Township Clerk and Tax Collector J. Roy Oliver with a proclamation honoring his 30 ½ years of service to the Township. Mr. Mark Pietrucha, Woodard and Curran, gave an update on the Brownfields projects encompassing the Cheli property and Ackley garage.

Last year Woodard and Curran made a preliminary survey of the Cheli property and submitted a report to NJDEP for additional funding. Maurice River Township has been approved for $198,000 in supplemental funding. If the degree of soil contaminates warrants, more funding will be set aside.

Supplemental funding has been applied for in the amount of $15,000 to be dedicated to the Ackley garage project. This will supplement $200,000 received from NJDEP last year.

She said she has an aerial photograph of Lafferty's property showing vehicles present on block 124 Lot 9.

Per Ms. Ashton, "We cannot selectively enforce regulations". She said she is appalled by what is going on. Her son could not have his business at a site on Main Street, Leesburg. Mr. Larry Peachey, Schooner Landing Road, addressed the Township Committee as to what program does the Township have in place to address the problem with feral cats? These are

becoming a big problem. What can be done to address this? He has captured 45 cats in his neighborhood alone.

He proposed that all cats be registered and made to wear collars, in addition to being spayed and neutered. "Trap and Release" programs do not work per Mr. Peachey.

Mr. Tom Swayne, Heislerville, asked Ms. Ireland if she has met with South Jersey Gas yet about running a pipeline to Heislerville? Mr. Sarclette informed Mr. Swayne that the Township has sent a letter to South Jersey Gas requesting they conduct a feasibility study for this.

Mr. Sarclette made a motion to close the second public comment session, seconded by Mr. Langley.
